# Ford OS – What It Is & What It Isn't

## What It Is

- How we achieve Ford+
- How we run our business
- How we recruit, assess, develop, and recognize our employees
- A set of tools, practices, and processes to delivering results
- A model that embraces the Ford OS Behaviors
- Rooted in lean methodology
- Articulation of what it looks like to succeed at Ford
- Our culture when we embrace it

**Ford Operating System**

## What It Isn't

- Replacement for Ford+
- Optional
- One-size fits all solution
- Quick to implement– It requires practice
- Another short-term initiative

# Cost and Quality Are Everyone’s Priority

## The Best Way To Address This – Attack Waste

Types of Waste	Sources of Waste to Consider
 <p>Defects</p>	<ul style="list-style-type: none"> <li>+ Order (sales or purchase) entry errors (monthly target) min 50% reduction Year-Over-Year</li> <li>+ Network interruptions (decrease); or network uptime (increase)</li> </ul>
 <p>Transportation</p>	<ul style="list-style-type: none"> <li>+ Air vs sea freight mix... % shipments from air to sea (monthly measures)</li> <li>+ Improving quality of work and on-time-delivery of processes (when work is split across time zones)</li> </ul>
 <p>Overproduction</p>	<ul style="list-style-type: none"> <li>+ Reduction in volume/quantity of product brochures after product end-of-life</li> <li>+ Reduction in options provided to customers or reduction in complexity of dealer requirements</li> <li>+ Reduction in the number of presentations</li> </ul>
 <p>Inventory</p>	<ul style="list-style-type: none"> <li>+ Volume of unanswered customer requests aging &gt; 24 hours</li> <li>+ Number of past-due supplier negotiations aging &gt; 1 month</li> </ul>
 <p>Waiting</p>	<ul style="list-style-type: none"> <li>+ Queue time between approvals or between cross-skill area content delivery</li> <li>+ Cycle-time to close the monthly books</li> </ul>
 <p>Motion</p>	<ul style="list-style-type: none"> <li>+ Reduce ergonomics injury rates due to repetitive motion (occurs beyond manufacturing)</li> <li>+ Number of clicks or signatures required to complete processes</li> </ul>
 <p>Non-Utilized Talent</p>	<ul style="list-style-type: none"> <li>+ Employee engagement score; direct supervisor effectiveness score</li> <li>+ Number of employees without active development planning and periodic 1-on-1 mtgs w/ leader</li> <li>+ Reduce the amount of time spent defining the problem and increase the amount of time spent on solving the problem</li> </ul>
 <p>Extra Processing</p>	<ul style="list-style-type: none"> <li>+ Reduce number of approval signatures for Purchase Orders, contracts, employment offers</li> <li>+ Elimination of practice meetings to prepare for meetings w/ next leadership level</li> </ul>
